

C Spring Holiday Program

CHIP on the Move

- Maths** - Tuesday 26th September
Language - Wednesday 27th September
Thinking - Thursday 28th September
Science - Friday 29th September

Entry to the school is via Page Street, or if the gates are open, from Gold or Wellington Streets. Classes are held upstairs in the library at Clifton Hill PS - in the new building. There is a lift which is located to the left of the stairs.

All programs run from 10am to 4pm and, as a courtesy to our staff, we do ask that children are collected promptly and that parents 'sign out'. Older children, with written permission, can sign themselves out.

Scholars' Workshop - 26th to 28th September

This is run parallel to the Maths, Language and Thinking programs. Year 5s are at the continuing their journeys. Be prepared!

Maths - Tuesday 26th September
 Work will be on skills as well as word problems. Speed and accuracy are essential.

Language - Wednesday 27th September
 Putting together a well-written, appropriate response within a specified time frame is possible - with practice.

Thinking - Thursday 28th September
 The range of questions here cover grammar, spelling, spatial and logic problems. A wide non-fiction vocabulary is the best preparation. Each week between now and the exams, randomly pick a Dewey System number and borrow the simplest book in that section. Just to acquire the basic words.

The best preparation is practice!

Please email applications to
key-strokes@bigpond.com

Term 3, 2017

Mondays (4pm - 6pm) July 31 to September 18
 @ Greythorn PS

Wednesdays (4pm - 6pm) August 2 to September 20

SCHOLARS

Scholarships in 2018

CHIP SCHOLARS' 3 day workshop, September 26th to 28th, will be conducted alongside our Winter Holiday Program between 10am and 4pm at Clifton Hill Primary School,

WRITING - As part of our Scholarship programs, we will conduct writing sessions. Different styles will be discussed - creative, persuasive, ... - and practised.

PROBLEM SOLVING - COMPREHENSION - VOCABULARY
The focus will be on the development of skills and techniques. We will be concentrating on the process of taking exams and the most effective ways of maximising scores.

SCIENCE

Join us on September 29th and move with the animals.
