T

Classes are held upstairs in the library at Clifton Hill PS - in the new building. There is a lift which is located to the left of the stairs.

Entry to the school is via Page Street, or if the gates are open, from Gold or Wellington Streets. Please note that there are new restrictions on parking in Page Street.

All programs run from 10am to 4pm and, as a courtesy to our staff, we do ask that children are collected promptly and that parents 'sign out'. Older children, with written permission, can sign themselves out.

Scholars' Workshop - 4th to 6th July

This is run parallel to the Maths, Language and Thinking programs. Year 5s are at the beginning of their journeys. Be prepared!

Maths - Tuesday 4th July

Work will be on skills as well as word problems. Speed and accuracy are essential.

Language - Wednesday 5th July

Putting together a well-written, appropriate response within a specified time frame is possible - with practice.

Thinking - Thursday 6th July

The range of questions here cover grammar, spelling, spatial and logic problems. A wide non-fiction vocabulary is the best preparation. Each week between now and the exams, randomly pick a Dewey System number and borrow the simplest book in that section. Just to acquire the basic words.

The best preparation is practice!

Please email applications to
key-strokes@bigpond.com

SCHOLARS

Scholarships in 2018

CHIP SCHOLARS' 3 day workshop, July 4th to 6th, will be conducted alongside our Winter Holiday Program between 10am and 4pm at Clifton Hill Primary School,

It's time!

WRITING - As part of our Scholarship programs, we will conduct writing sessions. Different styles will be discussed, creative, persuasive, ... and practised.

PROBLEM SOLVING - COMPREHENSION - VOCABULARY
The focus will be on the development of skills and techniques. We will be concentrating on the process of taking exams and the most effective ways of maximising scores.

SCIENCE

Join us on July 7th for a day of exploring how things work.

Be an engineer for the day!
