Summer Holiday Program - CHIPping Away

Science - Monday 22nd January
The Zoo to You with Chris!

Maths - Tuesday 23rd January
Language - Wednesday 24th January
Thinking - Thursday 25th January

Entry to the school is via Page Street, or if the gates are open, from Gold or Wellington Streets. Classes are held upstairs in the library at Clifton Hill PS - in the new building. There is a lift which is located to the left of the stairs.

All programs run from 10am to 4pm and, as a courtesy to our staff, we do ask that children are collected promptly and that parents 'sign out'. Older children, with written permission, can sign themselves out.

Scholars' Workshop - 23rd to 25th January

This is run parallel to the Maths, Language and Thinking programs. Year 6s are at the finalising their journeys. Be prepared!

Maths - Tuesday 23rd January
Work will be on skills as well as word problems. Speed and accuracy are essential.

Language - Wednesday 24th January
Putting together a well-written, appropriate response within a specified time frame is possible - with practice.

Thinking - Thursday 25th January

The range of questions here cover grammar, spelling, spatial and logic problems. A wide non-fiction vocabulary is the best preparation. Each week between now and the exams, randomly pick a Dewey System number and borrow the simplest book in that section. Just to acquire the basic words.

The best preparation is practice!
