### Autumn Holiday Program

### CHIP by Design

**Robotics** will be Friday April 1st. Early booking is advised as there is a quota on this activity because of equipment demands.

### Workshops

Monday 4th April:  
Tuesday 5th April:  
Wednesday 6th April:

**Maths**  
**English**  
**Thinking**

### Scholars' Workshop - 4th to 6th APRIL

This is run parallel to the above programs.

All classes are held upstairs in the library at Clifton Hill PS - in the new building. There is a lift which is located to the left of the stairs.

Entry to the school is via Page Street, or if the gates are open, from Gold or Wellington Streets.

All programs run from 10am to 4pm and, as a courtesy to our staff, we do ask that children are collected promptly and that parents 'sign out'. Older children, with written permission, can sign themselves out.

### Terms 2 & 3

Remember to bring a jacket (Term 2) along with a snack and a drink.

### Scholarships

Our Year 6 students are almost finished their exams. 'Good Luck' to you all. You have worked hard. We have started classes for our Year 5s and expect others will join in as the year progresses. Be prepared!

### Fees Term 2 - 8 week program

Weekday Classes:

Southern Cross & Middle Park students - \$175 per student per term.

Students from other schools, including Greythorn, \$185 per child (\$180 per child for attending families of 2+ children).

Saturday classes:

\$175 per student per term. (\$170 per child for attending families of 2+ children).

**Also NOTE that the Saturday dates start at Camelot and finish at Clifton Hill to avoid the Clifton Hill Annual Fair (we hope!)**

# SCHOLARS

Scholarships in 2016

CHIP SCHOLARS' 3 day workshop, April 4th to 6th, will be conducted alongside our Autumn Holiday Program between

10am and 4pm at Clifton Hill Primary School,  
It's time!

## WRITING

As part of our Scholarship programs, we will conduct writing sessions. Different styles will be discussed, creative, persuasive, ... and students will have the opportunity to practise these.

## PROBLEM SOLVING

## COMPREHENSION

## VOCABULARY

These programs focus on development of skills and techniques. We will be concentrating on the process of taking the exams and the most effective ways of maximising scores.
