### Office Closure

The Office will be closed from March 24th to April 10th. During this time, we should (hopefully!) be able to answer emails but not the phone. Sorry for this inconvenience.

## Autumn Holiday Program

### Transporting CHIP

**Maths** - Tuesday 11th April

**Language** - Wednesday 12th April

**Thinking** - Thursday 13th April

This is a 3-day program.

Classes are held upstairs in the library at Clifton Hill PS - in the new building. There is a lift which is located to the left of the stairs.

Entry to the school is via Page Street, or if the gates are open, from Gold or Wellington Streets. Please note that there are new restrictions on parking in Page Street.

All programs run from 10am to 4pm and, as a courtesy to our staff, we do ask that children are collected promptly and that parents 'sign out'. Older children, with written permission, can sign themselves out.

**Maths** - Tuesday 11th April

Work will be on skills as well as word problems. Speed and accuracy are essential

**Language** - Wednesday 12th April

Putting together a well-written, appropriate response within a specified time frame is possible - with practice.

**Thinking** - Thursday 13th April

The range of questions here cover grammar, spelling, spatial and logic. A wide non-fiction vocabulary is the best preparation. Each week between now and the exams, randomly pick a Dewey System number and borrow the simplest book in that section. Just to acquire the basic words.

### Scholars' Workshop - 11 to 13 April

This is run parallel to the Maths, Language and Thinking programs. Year 5s are starting their journeys. Be prepared!

## The best preparation is practice!

# SCHOLARS

Scholarships in 2018

CHIP SCHOLARS' 3 day workshop, April 11th to 13th, will be conducted alongside our Autumn Holiday Program between

10am and 4pm at Clifton Hill Primary School,  
It's time!

## WRITING

As part of our Scholarship programs, we will conduct writing sessions. Different styles will be discussed, creative, persuasive, ... and students will have the opportunity to practise these.

## PROBLEM SOLVING

## COMPREHENSION

## VOCABULARY

These programs focus on development of skills and techniques. We will be concentrating on the process of taking the exams and the most effective ways of maximising scores.
